

important parking notice to all patients and visitors

THE BROADWAY GARAGE IS SCHEDULED TO CLOSE PERMANENTLY ON OCTOBER 21, 2005 to make way for two new clinical towers. The replacement garage, located across Orleans Street from the Broadway garage, will not have any direct access routes into the hospital during construction of the new buildings. In an effort to ease your parking/hospital access needs, we are providing 3 options for you to choose from:

1 The McElderry Garage located off of Caroline Street on McElderry St. (see map below) has been designated as The Johns Hopkins Hospital's Patient/Visitor garage. This facility provides direct covered access into the hospital complex.

2 Patient/Visitor Convenience Shuttle will be provided from the JHOC Circle to the Wolfe St. Circle. The shuttle will run from 5 am to 10 pm Monday–Friday and 11 a.m. to 8 p.m. on weekends and holidays.

3 A new Valet Service will run from the Wolfe St. Circle adjacent to the main entrance of the hospital. The service will be available from 5 a.m. to 9 p.m. Monday–Friday with reduced hours (TBD) on weekends and holidays. The fees are:

- 0-3 hours \$8.50
- 3-6 hours \$10.00
- 6-24 hours \$15.00
